REMARKS

The specification has been amended to claim priority to the identified PCT, European, and United States patent applications and to amend the claims and specification to better conform to U.S. practice. The amendments to the claims are based on the claims as presented on Amended Sheets to the International Preliminary Examination Report for PCT International Application No. PCT/EP2003/013000.

Please enter this amendment prior to calculating the fee in this case. Applicant respectfully requests substantive examination on the merits.

Respectfully submitted,
